

## *Congratulations Seniors!*

Samantha took her first dance class when she was 3 years old and has taken dance classes for 15 years. Her favorite style of dance is lyrical because it tells a story with your body movements. Sam's favorite dance memory is ADR's first Nutcracker performance when she played the role of *Clara*. "Dance has influenced me as a person by not only teaching me to work hard, how to work together, and to always try hard, but it has also taught me how to build strong relationships." After graduation, Sam plans to attend *Samantha Cooper* Edinboro University to obtain a degree in Early Childhood Education. "I believe dance will always be part of my life. It has helped shape me into the person I am today and create friendships that will last a lifetime. It is how I escape my reality, and I will never lose my love for it." As Sam leaves *A Dancer's Reflection*, she would like younger dancers to know "to never give up, let dance be a free place where you can have fun, be yourself, and make friends. Be yourself whether it be in dance or anywhere else, and be the best version of yourself. Don't let anyone or anything change who you are, and when you get the choice to sit it out or dance, I hope you dance!"

Kat began dance lessons at the age of 3 and has been dancing for the past 15 years. Her favorite style of dance is Lyrical because it can be a combination of different dance styles. "Everyone who choreographs lyrical has a different form and every person who dances lyrical interprets it differently." Kat's favorite dance memory is dancing in Coffee *Kat Henderson* Break, which she refers to as "the best theatrical dance at *A Dancer's Reflection*". "Dance has given me a way to deal with outside problems like anxiety. It gave me a way to gain confidence and learn to take chances." After graduating high school, Kat plans to attend the University of Pittsburgh at Bradford for two years and then Pitt main campus to study astrophysics. Kat would love to continue to take dance lessons and classes in college and would love to be on a college dance team. To Kat's fellow dancers, "Don't let anyone stop you from doing what you enjoy. You all have helped me become the person I am today. Naomi, please don't cry."
