

Hello Dance Families,

We hope that everyone is staying healthy and safe as we work through the pandemic. It is nice to try to get back to some sort of normalcy as we work towards photographing your dancers this year. This has been a very difficult time for everyone and businesses have had to develop many unique opportunities for individuals and groups. With that being said, we are moving back to the Dancer's Reflection studio to photograph your dancers in order to photograph individuals, groups and to set up memory mate packages as we had in the past. Here is the plan for photographing your dancers:

- All **group** pictures (Beginner, Intermediate and Advanced classes) will be taken during class times on Monday through Thursday, May 17, 18, 19 and 20.
- During the May 17 - 20 group picture session, I will also be taking individuals of Intermediate and Advanced dancers. The Intermediate and Advanced dancers can bring their payment and get their individual pictures taken without a parent being with them during class time, if you are comfortable sending your payment / order form with your dancer. If you would like to be there with your Intermediate or Advanced dancer, you can schedule a time on Sunday May 16 to be there with your dancer to place the order.
- Beginner level dance students will have their individual portraits taken on Sunday May 16 at the dance studio. You can do this by scheduling an appointment with Uriah Sampson Photography (814-671-9890) or scheduling online at <https://uriah-sampson-photography.appointlet.com/s/individual-dance-portraits/uriah>. Beginner level dancer individual portraits will not be taken during class time. Only group pictures will be taken during class time. Please call and schedule an appointment for Beginner level dancers.
- Also, family groupings and all other dancers in the upper levels can also make appointments. Please call Uriah Sampson Photography (814-671-9890) or schedule online at <https://uriah-sampson-photography.appointlet.com/s/individual-dance-portraits/uriah> to schedule your appointment.

Portrait sessions will be free of charge and the only cost to the dancers will be the portraits that you choose to order. We hope to make this a very easy and seamless event in order to capture your memories
