Student Helper Expectations and Responsibilities

- Must be dressed and ready for class at least 10 minutes before class starts
- Follow the same hair and dress code as required for the class
- Interact with the students and parents in a professional and friendly manner
- Prior to class: help students tie shoes, use the restroom, and otherwise prepare for class
- During class: perform tasks as requested by the instructor that may include taking attendance, demonstrating dance moves, playing music, correcting positions, etc.
- Recital: help with the instructor walk-through on Sunday, May 23rd and the recitals on Monday, May 24th & Tuesday, May 25th. Student helpers may be asked to perform on stage with their assigned class(es).
- Student Helper Attendance Being a student helper is a job! You need to be present for every class you are assigned every week. If a helper knows in advance she will be absent, the helper should find a substitute. (You will be provided with the other helpers' names and contact information.) Please notify the studio of your absence, and who will be substituting for you. The only appropriate notification methods are through text to Ann at 814-758-6290 or email to Ann at adancersreflection@adancersreflection.com.
- Student Helper Payment Helpers' dance accounts will be credited \$5.00 for each 30 min class in which they help. For example: if a student helps with one class a week for 4 weeks, their account will be credited \$10.00 at the end of the 2 week pay period. Students will be credited \$8.00 for each 45 min class. The credits will go on your account every two weeks.
- I, _____, the student helper applicant, and I, _____, the applicant's parent, have read and understand the expectations and responsibilities of the student should they be hired as a student helper. I understand the importance of the student helper attending every class as assigned and will make every effort to attend. If I, or my student, cannot attend I understand the proper notification procedures. I understand the manner in which I, or my student will be "paid". The student helper's account will be credited every two weeks for each class in which the helper was present and satisfied all expectations and responsibilities. I understand if the student helper does not satisfy all of the expectations and responsibilities, the helper may be replaced.
