

Class Observation Opportunities

This year there will be 4 opportunities for you to observe your child's dance classes. We are hoping this will help satisfy your curiosity!

Unless we need to adjust due to COVID restrictions, these are the dates:

1. October 3rd-6th
2. December 5th-8th
3. February 6th-9th
4. March 27th-30th (This will be a great time for you to film what has been taught of their recital dance.)

- Instructors will be running class as usual. They will not be preparing a special dance, but this will give you an opportunity to see a small part of what your child has been learning.
- Please limit observers to no more than two.
- You will be invited into the dance room during the last 10 minutes of class.
 - You will be called back to the dance rooms according to the name of your child's class, not by your child's name. Please know the name of your child's class.
 - For anyone coming to observe a dancer in the intermediate or advanced levels, be sure your dancer knows you are coming, so they can come get you from the waiting room.
- If your child has back-to-back classes, the 10 minute observation times will still be at the end of each class.
- You will be asked to observe our no shoes on dance floor policy.
